- I can stand as long as I want without extra pain.
- I can stand as long as I want but it gives me extra pain.
- Pain prevents me from standing for more than 1 hour.
- Pain prevents me from standing for more than ½ hour.
- Pain prevents me from standing for more than 10 minutes.
- Pain prevents me from standing at all.

SECTION 7 - Sleeping

- Pain does not prevent me from sleeping well.
- I can sleep well only by using tablets.
- Even when I take tablets I have less than 6 hours of sleep.
- Even when I take tablets I have less than 4 hours of sleep.
- Even when I take tablets I have less than 2 hours of sleep.
- Pain prevents me from sleeping at all.

SECTION 8 - Sex Life

- My sex life is normal and causes no extra pain.
- My sex life is normal but causes extra pain.

- My sex life is nearly normal but is very painful.
- My sex life is severely restricted by pain.
- My sex life is nearly absent because of pain.
- Pain prevents any sex life at all.

SECTION 9 - Social Life

- My social life is normal and gives me no extra pain.
- My social life is normal but increases the degree of pain.
- Pain has no significant effect on my social life apart from limiting my more energetic interests (i.e. dancing, etc.)
- Pain has restricted my social life and I do not go out as often.
- Pain has restricted my social life to my home.
- I have no social life because of pain.

SECTION 10 - Traveling

- I can travel anywhere without extra pain.
- I can travel anywhere but it gives me extra pain.
- Pain is bad but I manage journeys over 2 hours.
- Pain restricts me to journeys of less than 1 hour.
- Pain restricts me to short necessary journeys under 30 minutes.
- Pain restricts me from traveling except to the doctor or hospital.

SECTION 11 - Reading

- I can read as much as I want with no pain.
- I can read as much as I want with slight pain.
- I can read as much as I want with moderate pain.
- I cannot read as much as I want because of moderate pain.
- I can hardly read at all because of severe pain.
- I cannot read at all due to the pain.

SECTION 12 - Headaches

- I have no headaches at all.
- I have slight headaches which come infrequently.
- I have moderate headaches which come infrequently.
- I have moderate headaches which come frequently.
- I have severe headaches which come frequently.
- I have headaches almost all the time.

SECTION 13 - Concentration

- I can concentrate fully when I want to with no difficulty.
- I can concentrate fully when I want to with slight difficulty.
- I have a fair degree of difficulty in concentrating when I want to.
- I have a lot of difficulty in concentrating when I want to.
- I have a great deal of difficulty in concentrating when I want to.

SECTION 14 - Work

- I can do as much work as I want to.
- I can only do my usual work, but no more.
- I can do most of my usual work, but no more.
- I cannot do my usual work.
- I can hardly do any work at all.
- I cannot do any work at all.

SECTION 15 - Recreation

- I am able to engage in all recreational activities with no pain at all.
- I am able to engage in all my recreational activities with some pain.
- I am able to engage in most but not all rec. activities due to pain.
- I am able to engage in few of my recreational activities due to pain.
- I can hardly do any recreational activities because of pain.
- I cannot do any recreational activities at all.

PATIENT MEDICAL INFORMATION

Name: _____
Referred by: _____
Have you been treated by a chiropractor before? _____

Date: _____
Physician: _____

The following questions will help the doctor evaluate your needs. Please complete both sides and be as accurate as possible. All information is confidential.

Age: _____ Sex: _____ Height: _____ Weight: _____
If injured, date of injury: _____ Type of injury: _____ sports _____ at home _____ other
If not injured, approximately when did your pain begin: _____
Have you been treated for this same problem before? _____ Yes _____ No
If yes, who treated you? _____ When? _____
Who is your primary care physician? _____ Phone: (____) _____
Please describe how your symptoms started: _____

CHIEF COMPLAINTS:

_____ Headaches	_____ Low Back Pain	_____ Disorientation	_____ Stiffness
_____ Neck Pain	_____ Mid Back Pain	_____ Cold Hands/Feet	_____ Dizziness
_____ Sore Muscles	_____ Upper Back Pain	_____ Other: _____	
_____ Numbness	_____ Tingling (circle one: hands or feet)		

PAST MEDICAL HISTORY:

Do you take any medication on a regular basis? If yes, please list with dosage: _____

Have you ever had surgery? If yes, please describe with dates: _____

Do you have any permanent disabilities? If yes, please explain: _____

Do you have any physical impairments that keep you from working or doing things you enjoy? If yes, please explain: _____
